

CULEX[®] SERVICE & MAINTENANCE PLAN

Protect your investment.
Keep your equipment in optimum condition.

"I need BASi to keep my Culex equipment in top condition all year long."

The Service and Maintenance Plan is your insurance policy against downtime and unexpected repair costs.

Our expert engineers help to extend the life of your instrument with an annual on-site preventive maintenance and service visit where they can inspect, clean, recalibrate, test, repair/replace worn parts, and install any upgrades on your Culex[®] system.

Not only is the Service and Maintenance Plan the best way to keep your equipment in good working order, it also offers many additional benefits, including:

- No individual purchase orders needed for repairs, reducing time and headaches
- Preferred customer status with priority access to parts and services
- Same business day shipping of replacement parts and equipment at no extra cost
- Free software and firmware upgrades
- Multi-unit and multi-year service contract discounts are available
